Protecting Your Investment

When months of hard work go into producing a grain crop, trust it to the best in grain sweeps: Brock.

Brock Solid® is our guarantee of trusted reliability you can count on day in and day out. It’s unmistakable quality, built to last year after year. And it’s the same guarantee we founded the company on back in 1957.

Today, our dealers continue to uphold those standards, providing the superior service and support customers expect from Brock. Brock Solid means you can depend on them and us. Times may change, but our solid values are stronger than ever.

Whether you’re a farmer storing your own grain or a commercial operation entrusted with safeguarding your customer’s crops, Brock Solid delivers. Always has, always will.

1500 Series

Heavy-duty Power Sweeps
Bin Diameters 15-60 feet (4.6-18.3 m)
Bin Eave Height Maximum 107 ft. (32.6 m)
Auger 8 or 10 inches
Diameters (203 or 254 mm)
Capacity Range Up to 5,500 bushels (140 metric tons) per hour

Bulletproof Gearboxes
Brock 1500 Series Power Sweeps are built around robust center gearboxes that are manufactured in the USA.

Highly Refined Drive Wheel
Patent pending open-style design. 16:1 reduction ratio maximizes longevity.

2000 Series

Heavy Farm to Light Commercial Usage
Bin Diameters 30-78 feet (9.1-23.8 m)
Bin Eave Height Maximum 90 ft. (27.4 m)
Auger 10 or 12 inches
Diameters (254 or 305 mm)
Capacity Range 3,000-6,500 bushels (75-165 metric tons) per hour

Weighted Tractor Drive offers greater traction and has more power to help drive the sweep into the grain. Weight on the drive is adjustable.

Zero Entry Capable with our industry exclusive UL Listed Collector Ring and compatible sump pit. Keep safe on the job with no need to enter the bin.
## 3500 Series

Medium to Heavy Commercial Usage

<table>
